

LCDR Traci Michelle Murray, Ph.D., MPH, RN, NHDP-BC, CPH

Board Position: Field Representative

LCDR Traci Murray currently serves as the Publicity Workgroup Lead on the National COA Awards Committee. She has led teams responsible for creating a publicity and outreach plan for awards, which increased participation in COA Awards programs, including timeline and content for submission.

Within the Nurse Category, LCDR Murray currently serves as Assistant Regional Administrator for SAMHSA HHS Region 6 office based in Dallas, TX. She provides regional leadership and consultation to 5 HHS Region VI states and 68 Tribal Nations on behavioral health planning, finance, operations, and healthcare reform implementation.

LCDR Murray is part of the Lead SAMHSA's national Partnerships for Equity initiative to identify key collaborations to improve behavioral health equity for under-resourced groups like minorities, LGBTQ, and rural populations.

LCDR Murray is driven by a desire to increase diversity, equity, and inclusion for USPHS officers and enjoys working in a team environment to achieve shared goals.
